CALL FOR NOMINATIONS FOR 2026 INDUCTEES

The mission of the San Antonio Women's Hall of Fame is to provide educational scholarships to deserving local women pursuing a college education; promote education and individual development in order to improve the status, interests and needs of our community; and present, recognize and honor outstanding women in the community for their service and contributions through induction in the organization.

In 1984, Texas Governor Mark White proclaimed a "Women in Texas Today" week to honor Texas women who helped to shape the state of Texas and approved the establishment of the Texas Women's Hall of Fame.

In 1987, Dr. Gloria Jo Floyd conceived the idea of creating a San Antonio Women's Hall of Fame and to date, more than 540 women have been inducted.

In 1993, the organization began awarding scholarships to recognize outstanding young women upon their high school graduation and entry into college. A scholarship trust fund was established in 1998 and to date the organization has awarded over $412,000 in scholarships.

We are now currently accepting nominations for induction into the San Antonio Women's Hall of Fame - 2026.

We invite you to nominate individuals who exemplify the qualities and attributes that have made their contributions to our community so meaningful.
